1                   EXAMINER BROOKS: We will call the docket to  
2 order.

3                   Is Phillip Brewer here?

4                   MR. BRUCE: He's not here, Mr. Examiner. He  
5 did enter an appearance in the case, and I was going to  
6 note that on the record.

7                   EXAMINER BROOKS: Yeah. He entered an  
8 appearance in the application of Mewbourne Oil Company  
9 for a non-standard spacing unit and compulsory pooling  
10 with no cause number. And most of the cases on the  
11 docket are for applications of non-standard spacing  
12 units and compulsory pooling.

13                  MR. BRUCE: It's 14607.

14                  EXAMINER BROOKS: Pardon me?

15                  MR. BRUCE: It's 14607.

16                  EXAMINER BROOKS: 14607, okay. We'll get it  
17 in the proper file.

18                  With that preliminary out of the way then, ladies  
19 and gentlemen, we will proceed with Docket Number 6-11  
20 of the Oil Conservation Division. And we will begin, as  
21 usual, with the continuances and dismissals.

22                  On page 1, Case Number 14413 is continued to  
23 March 31st; Case Number 14602 is continued to  
24 March 17th; on page 2, Case Number 14415 is continued to  
25 March 17th; Case Number 14416 is continued to

1 March 17th; on page 3, Case Number 14593 is continued to  
 2 March 17th; Case Number ~~14509~~ is continued to  
 3 March 17th; Case Number 13940, I'm sure everybody will  
 4 be surprised to learn, is continued again this time to  
 5 May the 12th; Case Number 13940 -- yeah, that's the one  
 6 I just called; on page 4, Case Number 14569 is continued  
 7 to March 17th; Case Number 14570 is continued to  
 8 March 17th; Case Number 8352 is continued to March 31st.

9 That's all the continuances and dismissals that I  
 10 have. Is there anything else?

11 MR. BRUCE: Mr. Examiner, on page 5, the  
 12 bottom case, Nadel and Gussman, 14551?

13 EXAMINER BROOKS: Page 5. Okay, yes?

14 MR. BRUCE: Please continue that to  
 15 March 17th. Ocean Munds-Dry entered an appearance in  
 16 that case but she does not object to the continue.

17 EXAMINER BROOKS: Very good. Case  
 18 Number 14551 will be continued to March 17th.
