EXHIBITS 1 AND 2 ADMITTED

1 EXAMINER BROOKS: Call Case Number 14685,  
2 application of Cimarex Energy Company for compulsory pooling,  
3 Eddy County, New Mexico. Call for appearances.

4 MR. BRUCE: Mr. Examiner, Jim Bruce representing the  
5 applicant. Again, I am submitting this case by affidavit.  
6 And I have handed you Exhibits 1 and 2, again the affidavit  
7 of Hayden Tresner, the landman, and my affidavit of notice.  
8 Township and range are the same, the only difference is that  
9 the acreage being force pooled is the Southwest Quarter  
10 Northwest Quarter. Collectively these four applications pool  
11 the Northwest Quarter of Section 32 from the surface to the  
12 base of the Glorieta-Yeso formation. Ownership is common as  
13 to the depths being pooled. COG Operating LLC and Concho Oil  
14 and Gas LLC own the same interests in the same proportion as  
15 in the prior applications, and the overhead rates and risk  
16 charge requested are the same. And Exhibit 2, the affidavit  
17 of notice, showed that the Concho entities received actual  
18 notice of the application. And I would move the admission of  
19 Exhibits 1 and 2. And the API number for the well is  
20 3001539085.

21 EXAMINER BROOKS: Okay. Do you have the footages  
22 for this well?

23 MR. BRUCE: Footage, 1650 feet from the North Line  
24 and 2310 feet from the West Line.

25 EXAMINER BROOKS: 2310' from the West, okay.

1 Exhibits 1 and 2 are admitted.

2 (Exhibits 1 and 2 admitted.)

3 EXAMINER BROOKS: Case Number 14685 will be taken  
4 under advisement. And there being nothing further, this  
5 docket is adjourned.
