Good morning, Scott

Mr. Kyle Paxton has furnished us copies of the executed ratifications of the Bobbi State Waterflood Unit.

In order that we can make the finding required by the Statutory Unitization Act, we will need a table of the owners whose ratifications have been furnished and their respective interests, supported by affidavit, unless the necessary information is already on file in the case. In the latter case, I would greatly appreciate being advised of the specific exhibit which contains this information.

If I should contact Mr. Paxton directly concerning this matter, please so advise.

Sincerely

David K. Brooks  
Legal Examiner
