**Re: Request for extension to commence the Recompletion Operations of RSC Resources, L.P Ann Com. Well No. 1 (API No. 30-015-23036), Pursuant to Division Order No. R-13743**

Dear Mr. Cate:

The Oil Conservation Division (OCD) received your letter dated November 19, 2013, regarding the referenced subject on November 26, 2013. It is our understanding that RSC Resources, L.P. has started recompleting the well, but it is waiting on a pipeline tie-in before proceeding with the rest of the recompletion operations.

The OCD has reviewed your request and hereby extends the date to complete the recompletion operations to April 1, 2014.

If you have any question, please contact Richard Ezeanyim at (505)-476-3467

Sincerely;

Jami Bailey  
Director
