Subject: RE: Case 15397/Devon Energy

Gentlemen:

Your request for a continuance is granted. Since this case will entail some lengthy testimony and, correspondingly, cross-examination, I agree that a day be set aside for this hearing. I'll request that both parties pursue an off-docket date for the week of December 7th. The Thursday of the week is set aside for a Commission Hearing, so please work around that day. Please keep us informed of your progress. Thanks. PRG

Subject: Case 15397/Devon Energy

All: Please continue the above case to the December 3rd hearing. Mike Feldewert (representing OXY) does not object.

Also, if this case moves forward it could well be lengthy, and Mike and I thought it might be worthwhile to look at a special hearing date, maybe early in the week of Dec. 7th. Let us know what you want to do.
Thanks.

Jim
