Gentlemen:

The 2014 Review of Operations and 2015 Plan of Development (POD) for the referenced Communitized Area is hereby approved.

Please be advised that due to the size of the Communitized Area and the number of wells the review of POD well status is an ongoing dynamic process. During the ongoing review process, if discrepancies are found with the submitted well status versus BLM records, the operator will be notified and required to respond within 30 days of receipt of notification.

Please contact Edward G. Fernandez, Petroleum Engineer, at 575-234-2220 if you have any questions.

Sincerely,
