From: Brent Sawyer [BSawyer@concho.com] Sent: Tuesday, January 27, 2015 3:58 PM To: Randy Howard CC: John Turro Subject: 2nd SRO opinion Attachment(s): "DTO_DOTO - ALL of Sec. 34, T25S-R28E.PDF"

Randy:

As always, enjoyed seeing you and John and here is that other SRO opinion we talked about.

Also, I remembered the other thing. After I finish this email I'm going to double check that you are properly in APO status on the 5 Cluster wells, the FUN and Way South 4H. I seriously doubt the Honey Graham 5H has been switched over yet since I just received your election this afternoon, but I'll get the ball rolling on that.

Thanks
