We are going to receive revised exhibits from the attorney on June 15<sup>th</sup>. I will reschedule this meeting once we receive the updates. Thank you.

Let's take the time to sit down and go thru the SRO issues and work thru the DO decks so that we can get these off of the books. If we want to include additional wells in this meeting we can.

This looks like the first time we can all get together.

Aaron and Jennifer: If you guys can come up with an agenda or items that each of you will need prior to this meeting I think it will make things go much smoother. Also, if you can attempt to come up with the proposed DO decks for each of the wells, and then we can hopefully review them at the meeting. I know the title opinions have several errors that Aaron has identified but I don't believe having the attorney update the opinions is the right answer so hopefully we can make the corrections in house and Aaron and I can approve them prior to the DO's going out. Thanks everyone for your help in getting these issue behind us.

The Midland Room has AV equipment so we can use the projector if that will be beneficial.

I included Mona and Judy as option attendees to this meeting, if they want to stop in for a few minutes.
