STATEMENT OF CASE

OPPONENT CIMAREX ENERGY CO.

In Case Nos. 15992 – 15996, Ascent Energy, LLC has requested the creation of five non-standard proration units for development within Section 18, Township 21 South, Range 33 East, NMPM, Lea County New Mexico to accommodate the drilling of the Trucker Fed. Com Well Nos. 501H, 502H, 601H, 701H and 703H. In its well proposal letters, Ascent Energy has proposed to drill these wells from an off-lease surface location, located within the E/2 of Section 7, Township 21 South, Range 33 East.

Cimarex is the lessee of record for the E/2 of Section 7, Township 21 South, Range 33 East. It objects to the development plans for Ascent Energy's wells on the basis that proposed surface locations will impair Cimarex's correlative rights and cause waste.
