Mark – hope all your wells in 23S-28E are drilling well. I wanted to let you know that we are planning to drill a Lower Brushy Canyon well soon that will traverse the E/2 NW/4 of Section 25-23S-28E and the E/2 W/2 of Section 24-23S-28E.

When we discussed this plan some time back, I told you that we would like to “do away” with the JOA that covers the subject area.....limiting it to the current producing wells only.....and enter into a new JOA with parties who would own leases in each well path.

In that regard, our records do not show that Rockcliff would have any leases in this well path. The JOA for the subject area is limited to just you and Chevron.....and from a technical perspective, one could construe that Rockcliff could have a “contractual interest” to be in our well, due to the existence of the present JOA.

I need to try to get a feel on how Rockcliff feels about this matter going forward.....as there is a lot more to this story regarding what has happened in the past.....that puts present owners in the W/2 in our well, who are not subject to the JOA.....but Chevron, who gave us the TA is.

I need to account for your interest and come to some understanding on how you feel we should proceed.

As a courtesy, I attach the AFE for our well that we plan to drill, and a generic proposal letter, so you have the particulars for our well.

Call when easy please, after you have given this scenario some thought.

CERTIFIED MAIL – RETURN RECEIPT REQUESTED

To: Persons on Exhibit A

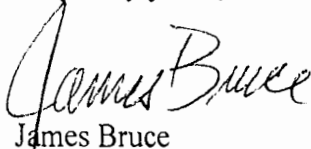

Ladies and gentlemen:

Enclosed is a copy of an application for a non-standard unit and compulsory pooling, filed with the New Mexico Oil Conservation Division by Kaiser-Francis Oil Company, regarding a Delaware well in the E/2W/2 of Section 24 and the E/2NW/4 of Section 25, Township 23 South, Range 28 East, NMPM, Eddy County, New Mexico.

This matter is scheduled for hearing at 8:15 a.m. on Thursday, December 21, 2017, in Porter Hall at the Division's offices at 1220 South St. Francis Drive, Santa Fe, New Mexico 87505. You are not required to attend this hearing, but as an owner of an interest who may be affected by the application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from contesting this matter at a later date.

A party appearing in a Division case is required by Division Rules to file a Pre-Hearing Statement no later than Thursday, December 14, 2017. This statement must be filed with the Division's Santa Fe office at the above address, and should include: The names of the party and his or her attorney; a concise statement of the case; the names of the witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that need to be resolved prior to the hearing.

Very truly yours,

James Bruce

Attorney for Kaiser-Francis Oil Company
