Amendment to 2018 Plan of Development

Ladies and Gentlemen:

Enduring Resources IV, LLC, as successor in interest to WPX Energy Production, LLC, and as successor Operator proposes to amend the Plan of Development dated February 8, 2018 to drill one unit well-the Kimbeto Wash Unit #770H well. The well is anticipated to spud third quarter of 2018. The change is necessary to accommodate the late transfer of operations from WPX into Enduring Resources and coordination of the drilling of the other unit obligation wells in the area.

If you have any questions please call me at (303) 350-5107. Thank you for your time and accommodation.

Very truly yours,

~~ENDURING RESOURCES~~ IV, LLC
