**APPLICATION OF MARATHON
OIL PERMIAN LLC FOR
COMPULSORY POOLING,
EDDY COUNTY, NEW MEXICO.**

CASE NO. _____

APPLICATION

Marathon Oil Permian LLC ("Marathon"), OGRID Number 372098, through its undersigned attorneys, hereby makes an application to the Oil Conservation Division pursuant to the provisions of NMSA (1978), Section 70-2-17, for an order: (1) creating a 320-acre, more or less, spacing and proration unit covering the E/2 of Section 1, Township 25 South, Range 28 East, NMPM, Eddy County, New Mexico; and, (2) pooling all mineral interests in the Wolfcamp formation underlying the standard spacing and proration unit. In support of this application, Marathon states as follows:

1. Marathon is an interest owner in the subject lands and has a right to drill a well thereon.
2. Marathon seeks to dedicate the E/2 of Section 1, Township 25 South, Range 28 East, NMPM, Eddy County, New Mexico to the proposed wells to form a 320-acre, more or less, spacing and proration unit.
3. Marathon plans to drill the **Whistle Pig 25-28-1 WA 4H** and **Whistle Pig 25-28-1 WXY 9H** wells within the proposed spacing unit to a depth sufficient to test the Wolfcamp formation. These wells will be horizontally drilled using the same drilling rig.

4. These wells will be located within the Purple Sage Wolfcamp Gas Pool, which is subject to special pool rules that establish 330 foot setback requirements. The producing intervals that Marathon seeks to drill will comply with the 330 foot setback requirements.

5. Marathon sought, but has been unable to obtain a voluntary agreement from all interest owners in the Wolfcamp formation underlying the proposed spacing unit to participate in the drilling of the wells or to otherwise commit their interests to the wells.

6. The pooling of all interests in the Wolfcamp formation underlying the proposed spacing unit will prevent the drilling of unnecessary wells, prevent waste and protect correlative rights.

WHEREFORE, Marathon requests this application be set for hearing before an Examiner of the Oil Conservation Division on July 12, 2018, and after notice and hearing as required by law, the Division enter its order:

A. Creating a spacing and proration unit in the Wolfcamp formation comprised of the E/2 of Section 1, Township 25 South, Range 28 East, NMPM, Eddy County, New Mexico;

B. Pooling all mineral interests in the Wolfcamp formation underlying this standard spacing and proration unit;

C. Designating Marathon as operator of this unit and the wells to be drilled thereon;

D. Authorizing Marathon to recover its costs of drilling, equipping and completing these wells;

E. Approving actual operating charges and costs charged for supervision, together with a provision adjusting the rates pursuant to the COPAS accounting procedure; and

F. Setting a 200% charge for the risk involved in drilling and completing the wells in the event a working interest owner elects not to participate in the wells.

Respectfully submitted,

MODRALL, SPERLING, ROEHL, HARRIS
& SISK, P.A.

Attorneys for Applicant

CASE NO. _____: Application of Marathon Oil Permian LLC for compulsory pooling, Eddy County, New Mexico. Applicant seeks an order from the Division: (1) creating a standard 320-acre, more or less, spacing and proration unit in covering the E/2 of Section 1, Township 25 South, Range 28 East, NMPM, Eddy County, New Mexico; and, (2) pooling all mineral interests in the Wolfcamp formation underlying this proposed standard spacing and proration unit. This proposed standard spacing and proration unit will be the unit for the **Whistle Pig 25-28-1 WA 4H** and **Whistle Pig 25-28-1 WXY 9H** wells, to be horizontally drilled. The producing area for these wells will be orthodox. Also to be considered will be the cost of drilling and completing said wells, the allocation of these costs as well as the actual operating costs and charges for supervision, designation of Marathon as operator of the wells, and a 200% charge for risk involved in drilling said wells. Said area is located approximately 8 miles southeast of Malaga, New Mexico.

APPLICATION OF MARATHON
OIL PERMIAN LLC FOR A
SPACING AND PRORATION UNIT
AND COMPULSORY POOLING,
EDDY COUNTY, NEW MEXICO.

CASE NO. 16299

AMENDED APPLICATION

Marathon Oil Permian LLC ("Marathon"), OGRID Number 372098, through its undersigned attorneys, hereby makes an application to the Oil Conservation Division pursuant to the provisions of NMSA (1978), Section 70-2-17, for an order: (1) creating a 320-acre, more or less, spacing and proration unit covering the E/2 of Section 1, Township 25 South, Range 28 East, NMPM, Eddy County, New Mexico; and, (2) pooling all mineral interests in the Bone Spring formation underlying this spacing and proration unit. In support of this application, Marathon states as follows:

1. Marathon is an interest owner in the subject lands and has a right to drill a well thereon.
2. Marathon seeks to dedicate the E/2 of Section 1, Township 25 South, Range 28 East, NMPM, Eddy County, New Mexico to the proposed wells to form a 320-acre, more or less, oil spacing and proration unit.
3. Marathon plans to drill the Whistle Pig 25-28-1 TB 5H well to a depth sufficient to test the Bone Spring.

4. The well that Marathon seeks to drill will comply with the setback requirements established under the Division's rules.

5. Marathon sought, but has been unable to obtain a voluntary agreement from all interest owners in the Bone Spring formation underlying the proposed unit to participate in the drilling of the well or to otherwise commit their interests to the well.

6. The pooling of all interests in the Bone Spring formation underlying the proposed unit will prevent the drilling of unnecessary wells, prevent waste and protect correlative rights.

WHEREFORE, Marathon requests this application be set for hearing before an Examiner of the Oil Conservation Division on July 12, 2018, and after notice and hearing as required by law, the Division enter its order:

A. Creating a spacing and proration unit in the Bone Spring formation comprised of the E/2 of Section 1, Township 25 South, Range 28 East, NMPM, Eddy County, New Mexico;

B. Pooling all mineral interests in the Bone Spring formation underlying this spacing and proration unit;

C. Designating Marathon as operator of this unit and the wells to be drilled thereon;

D. Authorizing Marathon to recover its costs of drilling, equipping and completing these wells;

E. Approving actual operating charges and costs charged for supervision, together with a provision adjusting the rates pursuant to the COPAS accounting procedure; and

F. Setting a 200% charge for the risk involved in drilling and completing the wells in the event a working interest owner elects not to participate in the wells.

Re: Whistle Pig 4H, 5H & 9H Well Proposals
E/2 of Section 1, T25S-R28E
Eddy County, New Mexico

Dear Chevron U.S.A., Inc.:

The purpose of this letter is to update and correct the well information for the Whistle Pig wells in the previous Well Proposal Letter dated April 16, 2018. Please note that the information contained in this letter voids and supersedes any inconsistent information regarding the Whistle Pig wells in the previous Well Proposal Letter.

Marathon Oil Permian LLC ("Marathon") proposes the drilling of the following wells located in the E/2 of Section 1, 25S-28E, Eddy County, New Mexico all to be drilled from the same surface pad location.

Well Name	SHL	BHL	Target TVD	Est. MD
Whistle Pig Fee 25-28-1 WA 4H	NE/4 NE/4	SE/4 SE/4	9,936'	14,830'
Whistle Pig Fee 25-28-1 TB 5H	NE/4 NE/4	SE/4 SE/4	9,283'	14,176'
Whistle Pig Fee 25-28-1 WXY 9H	NE/4 NE/4	SE/4 SE/4	9,745'	14,657'

These proposed locations and target depths are subject to change depending on any surface or subsurface concerns encountered. The AFEs represent an estimate of the costs that will be incurred to drill and complete the wells, but those electing to participate in the wells are responsible for their proportionate share of the actual costs incurred.

Marathon proposes drilling the well under the terms of the 1989 AAPL JOA and if you are interested in participating a form of this JOA will be sent to you following this proposal. The JOA will have these general provisions:

- 100%/300%/300% non-consent penalty
- \$7,000/\$700 drilling and producing rates
- Contract area of E/2 Section 1, 25S-28E, covering all depths

Our title records show that you own 0.01879539 WI in the E/2 of Section 1, T25S-R28E.

If your election is to participate in the drilling and completion of the wells please sign and return a copy of this letter along with the enclosed AFE within thirty (30) days of receipt of this proposal.

If you do not wish to participate, Marathon proposes to acquire your interest via term assignment at the following terms:

•
•
•

This term assignment offer terminates June 8, 2018 and is subject to due diligence and title verification satisfactory to Marathon.

Should you have any questions regarding this or other matters, please do not hesitate to contact me via the phone number or email address listed above.

Sincerely,

Steven Martinez
Land Agent for Marathon Oil Permian LLC
