Mr. Jones and Mr. Lowe:

Concho opposes the request for a continuance. 19.15.4.12(B) requires the applicant to send notice 20 days prior to the hearing date. The notice was timely because it was sent on July 6 which is 20 days before the July 26 hearing.

Concho has September drilling obligations and cannot afford the delay. Concho has been negotiating with EOG for many months but has unfortunately been unable to reach an agreement. Concho must now move forward with pooling proceedings in order to timely develop this acreage.

I am out-of-town (in the land of A&M Aggies!) but will be back in Santa Fe on Thursday should you wish to schedule a pre-hearing conference on this matter.

Thanks,  
Ocean
