**Re: *Application of COG Operating LLC for Approval to Amend
 CTB-770, Eddy County, New Mexico.***

Case No. 16374

Dear Mr. McMillan:

I represent Dan Evans Sheehan, Charles M. Thompson, Lois Thompson, Doda S. White, Harvey D. Sheehan and Dan Cody Keefe (the "Sheehan Family Members"). On May 25, 2018, the Sheehan Family Members filed objections to COG Operating's administrative commingling application filed in regards to the Bone Yard Fee 16H Central Tank Battery. These objections have been resolved and the Sheehan Family Members would like to withdraw the objections submitted to the Division.

Sincerely,

Jennifer L. Bradfute
