## STATEMENT OF THE CASE

Applicant has applied for an order approving drilling of the Red Road SWD #1 well at a surface location 510 feet from the South line and 1,167 feet from the East line of Section 26, Township 23 South, Range 31 East, NMPM, Eddy County, New Mexico.

Devon opposes the Application because the proposed surface location appears to be on one of Devon's drill islands, thus reducing Devon's well pad and limiting the number of wells Devon will be able to drill.

## PROPOSED EVIDENCE

<u>OPPONENT'S WITNESSES</u>	<u>EST. TIME</u>	<u>EXHIBITS</u>
Ryan Cloer, Land	20 min.	4
James Cain, Reservoir Geologist	20 min	6

## PROCEDURAL MATTERS

Devon requests a continuance of this matter so as to allow it to prepare its case and bring its witnesses to Santa Fe. If NGL will not agree, Devon will be filing an opposed motion for continuance.

Respectfully submitted,

MONTGOMERY & ANDREWS, P.A.
