In support of this application, Marathon states:

Marathon obtained Order R-14624 in order to facilitate the drilling and completion of the **Sweet Tea State, 24-29-31 TB 6H** well, which is a horizontal well that will develop the Bone Spring formation underlying the W/2 W/2 of Section 6, Township 25 South, Range 29 East, and W/2 SW/4 of Section 31, Township 24 South, Range 29 East, NMPM, Eddy County, New Mexico to the proposed well to form a non-standard 240-acre oil spacing and proration unit.

4. Notice of this application is being given in accordance with Division rules.

WHEREFORE, Marathon requests that this application be set for hearing before an Examiner of the Oil Conservation Division on November 15, 2018, and, after notice and hearing as required by law, the Division enter an order:

A. Amend Order No. 14624 to allow for the drilling of the **Sweet Tea State 24 29 31 SB 4H** well

B. Amend Order No. 14624 to allow for a one year period between when the well(s) are drilled under that order and required to be completed.
