Subject: Notice of Assignment and Bill of Sale
Cimarex Energy Co., et al and Colgate Production, LLC
Eddy County, NM

Dear Mr. Hoch,

Please see the attached Assignment and Bill of Sale ("Assignment"), dated January 1, 2019, by and between Cimarex Energy Co. and Cimarex Energy Co. of Colorado (collectively, "Cimarex"), as Assignor, and Colgate Production, LLC ("Colgate"), as Assignee, covering multiple tracts situated in Eddy County, New Mexico.

A portion of the lands contained within the Assignment are included in the Devon Energy Production Company L.P. ("Devon") Uraninite 32-33 State Fed Com 332H and 333H wells. Cimarex is in receipt of Devon's notice of Application for Compulsory Pooling, Case No. 20529, dated May 24, 2019, for each of these wells.

As evidenced by the Assignment, Cimarex is no longer an interest owner within these tracts and thus, requests that Devon remove Cimarex from this notice.

Should you have any questions, please contact me via email at rmorris@cimarex.com or telephone at 432-620-1966.

Thank you,
