8/16/19

Dear Sir:

I received your voicemail about setting up a pre-hearing meeting, and I am hoping this email will preclude this request.

**I hereby withdraw my protest(in the form of a pre-hearing statement )of July 29, 2019.**

This is only because I was finally paid. My criticisms of pooling rules still stand- that archaic rules hurt the little guy(typically a New Mexican)  
to the benefit of the drillers(typically a Texan).

My solutions are this:

-----back-in after payout one time

Or

-----1/4 royalty

Respectfully,  
Philip L. White

How about a 1:30 AM Monday Pre-Hearing conference? You can call in or attend in person

Mike

**Subject:** Pre-Hearing Conference today or Monday Case 20659

Will and Mike,

Can we set a prehearing conference today or at the latest on Monday? By telephone is great I think. COG opposes EOG's request for continuance in our Tomahawk Unit Hearing. Case No. 20659.

Please feel free to call my direct line 780-8009 or my cell if I don't answer at work 575.703.2039. I can make myself available anytime.

Thank you,  
Beth
