RE: Request for Time Extension to drill and complete the following Well
Case No. 16028, R-14688 approved date May 21, 2018
Applicant/Operator: COG Operating, LLC
Proposed Well:
Bonaid Federal Com Well No. 015H, API No. 30-025-45057, Spud: 08/06/19

Dear Ma'am:

The following pertains to your request received by the Division on October 21, 2019 and to the requirements in the captioned hearing order.

You have requested an extension of the time limit given by the Division in the captioned order in which to drill and complete the captioned well.

The OCD recognizes that the well could not be drilled as scheduled due to geological and mechanical issues during drilling. Accordingly, you are requesting a new completion date of December 31, 2019 to replace the existing time limit of December 4, 2019.

The operator is hereby granted an extension time limit to December 31, 2019 of the referenced well to the date the C-104 is approved for the well. All other provisions of this order remain in full force and effect.

Sincerely,

A handwritten signature in black ink, appearing to read "ASD", is written over a horizontal line.
