**APPLICATION OF OVERFLOW ENERGY, LLC
FOR APPROVAL OF A SALT WATER DISPOSAL
WELL, EDDY COUNTY, NEW MEXICO**

**Case No. 20964
Order No. 21248**

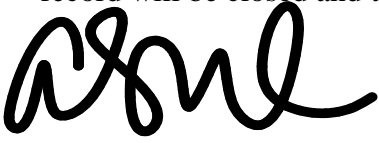

ORDER

On March 19, 2020, Overflow Energy, LLC (“Overflow”) filed a motion to strike the *Supplemental Information for the Record* filed by Marathon Oil Permian, LLC (“Marathon”). On March 27, 2020, Marathon filed its response. Having considered the pleadings and the record below, the Oil Conservation Division (“OCD”) finds that the motion is well-taken and will be granted, and further finds that the hearing should be reopened to take additional evidence regarding the potential for induced seismicity related to Overflow’s proposed well.

Accordingly, it is **ORDERED**:

1. Marathon’s *Supplemental Information for the Record* is stricken from the record.
2. The record is opened for the limited purpose of taking evidence at a hearing regarding the potential for induced seismicity related to Overflow’s proposed well.
3. The hearing will occur on August 20, 2020.
4. Overflow and Marathon shall file and serve pre-hearing statements no later than August 6, 2020, including the information required by 19.15.4 NMAC, and additionally, the curriculum vitae and exhibit(s) for each witness.
5. At the hearing, Overflow shall present its witness(es), then Marathon shall present its witness(es). Each witness shall be subject to cross-examination by other parties and questions by the Hearing Examiner and OCD technical reviewer(s). At the conclusion of testimony, the

record will be closed and the case taken under advisement.
