Good afternoon hearing examiners,

As counsel for Cimarex, this is to notify the Division that Devon Energy and XTO Energy have appeared in Cases 21236 and 21237 (Cimarex's Red Tank wells) and object to these pooling applications proceeding by affidavit. Pursuant to the Division's current hearing policy, it is our understanding that the Division will continue these cases and hold a brief status conference during the 5/14 docket.

Please advise if the Division has any additional requirements for these cases. Thank you.

Sincerely,

Lance D. Hough
