---

These cases are on the July 23rd docket. Both cases were filed in April and have been continued three times at the request of the pooled parties. I have recently been informed that two of the pooled parties (MCM Permian and Cimarex) remain opposed to the matters proceeding by affidavit. We therefore request that these matters be scheduled for a status conference for the purpose of setting a contested hearing as soon as possible. Thank you for your attention to these matters.

---
