Ms. Shaheen-

Yes, we are scheduled for a hearing, not a status conference, on August 20, per the Director's order.

Considering that Ms. Bradfute does not oppose, we will go ahead and have a status conference

instead on August 20, but I will have to ask you to file a motion for continuance following the status conference, not now, in order to get the matter set again for hearing.

Thank you.

Felicia Orth

All,

Prior to the new coronavirus procedures for contested hearings being put in place, Overflow's above-referenced case was calendared for a contested hearing on August 20, which is a regular docket date, and prehearing dates were set accordingly. *See* attached Order. I am assuming that it will be set for a status conference on that date, so that a special hearing date can be set. I have conferred with Ms. Bradfute, and Marathon does not oppose proceeding in this manner.

Please let me know if I have misconstrued the procedure here. At least one of my witnesses is unavailable on August 20. If it will not be set for a status conference on August 20, I will need to file a motion to continue.

Thanks,
Sharon
