PROCEDURAL MATTERS

Devon requests that, for purposes of the hearings, this Case No. 21398 be consolidated with Case Nos. 21396, 21397 and 21399 as they involve units within the same two sections and the same formation. Devon has filed Unopposed Motions for Continuances for these Cases in an effort to obtain additional time for reaching agreements with the interest owners. No protests or objections have been filed and Devon does not anticipate any at this time; consequently, Devon plans to conduct the hearing by affidavit.

Respectfully submitted,
