Good morning Ms. Orth,

The parties in the above referenced cases, which are set for a contested hearing on 9/24, are close to reaching an agreement and would like to continue the cases. Accordingly, the parties request that the Division vacate the 9/24 special hearing and corresponding deadlines in the Prehearing Order. The parties will file requests for continuances of their respective cases to the 10/22 docket for a status conference.

Please let me know if you have any questions or concerns. Thank you for your attention to this matter.

Sincerely,

Lance D. Hough
