STATEMENT OF THE CASE

In **Case No. 21456**, COG seeks an order from the Division for the limited purpose of pooling an additional interest owner under the terms of Division Order No. R-21072-A. The Division entered Order No. R-21072-A in Case No. 21310 on July 29, 2020, which conformed Order No. R-21072 to the amended order template described in the Letter of the Division Director dated April 9, 2020 (RE: Amendments to Compulsory Pooling Order Template). The Division entered Order No. R-21072 in Case No. 20931 on December 12, 2019, which created a 160-acre, more or less, standard horizontal spacing unit comprised of the W/2E/2 of Section 18, Township 24 South, Range 34 East, NMPM, Lea County, New Mexico ("Unit") and designated COG as the operator of the Unit. Order No. R-21072 further pooled all uncommitted interests within the Upper Wolfcamp Pool (Pool Code: 98135) underlying the Unit and dedicated the Unit to the Sebastian Federal Com #704H well, which is horizontally drilled from a surface hole location in the NW4/NE4 (Unit B) of Section 18 to a bottom hole location in the SW4/SE4 (Unit O) of Section 18, Township 24 South, Range 34 East.

In **Case No. 21457**, COG seeks an order from the Division for the limited purpose of pooling an additional interest owner under the terms of Division Order No. R-21073-A. The Division entered Order No. R-21073-A in Case No. 21310 on July 29, 2020, which conformed Order No. R-21073 to the amended order template described in the Letter of the Division Director dated April 9, 2020 (RE: Amendments to Compulsory Pooling Order Template). The Division entered Order No. R-21073 in Case No. 20932 on December 12, 2019, which created a 160-acre, more or less, standard horizontal spacing unit comprised of the E/2E/2 of Section 18, Township 24 South, Range 34 East, NMPM, Lea County, New Mexico ("Unit") and designated COG as the operator of the Unit. Order No. R-21073 further pooled all uncommitted interests within the Upper

Wolfcamp Pool (Pool Code: 98135) underlying the Unit and dedicated the Unit to the Sebastian Federal Com #703H well, which is horizontally drilled from a surface hole location in the NW4/NE4 (Unit B) of Section 18 to a bottom hole location in the SE4/SE4 (Unit P) of Section 18, Township 24 South, Range 34 East.
