Thank you, Jim.

With the permission of the hearing officer, and unless another party objects, we respectfully request that the prehearing order in this case be amended to allow the case to be presented by affidavit and for the affidavits and exhibits to be filed and served on all parties on 10/20.

All: Texas Standard will not contest this case, so it can be submitted by affidavit on 10/22. As a result, I don't think it is necessary for Manzano to file testimony and exhibits by 10/15.
