Subject: November 3, 2020 - OCD Special Hearing Docket: MRC withdrawing Young Deep wells (Case Nos 21447-21454)

MRC and Mewbourne have been in production discussions on these competing pooling cases. Pursuant to these discussions, MRC is dismissing the applications filed under Case Nos. 21447-21454 and no longer objects to Mewbourne Cases 21390-21391 (Eastwatch wells) proceeding by affidavit. Accordingly, MRC will not be filing a prehearing statement and the related testimony/exhibits next Tuesday under the attached prehearing order and will simply maintain an appearance in the case.

MRC has no objection to the Mewbourne cases either proceeding on the November 3rd special hearing date, or at some other docket more convenient to the Division and Mewbourne. I have alerted Mewbourne's counsel (Ms. Hardy) to these developments and copied her on this email.

Thank you for your patient attention to these matters.
