Hello, I've spoken with Marlene and we will note the matter as a status conference on 11/5.

All,

I spoke with Ms. Bennett this morning about new data and modeling that Overflow has obtained for this matter. Marathon and Overflow have agreed to reset the contested hearing to a later date, preferably in December, in order to allow the parties time to confer regarding the new information. We ask that the contested hearing, which is on the November 5 docket, be converted to a status conference so that potential dates for a new setting can be discussed with the hearing examiners.

Please let us know if you have any questions. Otherwise, Ms. Bennett and I will look forward to hearing from you about this proposal.

Thanks,
Sharon
