COUNSEL

STATEMENT OF THE CASE

Applicant in the above-styled cause seeks an order for the limited purpose of pooling additional unleased mineral interest owners under the terms of Division Order No. R-21102-A. The Division entered Order No. R-21102 in Case No. 20935 on February 12, 2020, which created a 767.52-acre, more or less, standard horizontal spacing unit comprised of the W/2

of Sections 22 and 27, and the N/2 NW/4 and Lots 1-2 (W/2 equivalent) of irregular Section 34, Township 26 South, Range 28 East, Eddy County, New Mexico (“Unit”), and designated COG as the operator of the Unit. Order No. R-21102 further pooled all uncommitted interests within the Purple Sage; Wolfcamp Gas Pool (Pool Code: 98220) underlying the Unit and dedicated the Unit to the Potato Baby State Com Well Nos. 704H, 705H, and 706H. The Division entered Order No. R-21102-A in Case No. 21312 on June 12, 2020, which conformed Order No. R-21102 to the amended order template described in the Letter of the Division Director dated April 9, 2020 (RE: Amendments to Compulsory Pooling Order Template). Since the entry of Order No. R-21102-A, COG has identified additional unleased mineral interest owners in the Unit that have not been pooled pursuant to the terms of Order No. R-21102.
