Re: Request for extension of time to commence
completion operations under Pooling Order R-20796
Parkway 15-14 North State Com 2H Well

Dear Ms. Sandoval:

By Pooling Order R-20796 issued on August 28, 2019, Cimarex Energy Co. ("Cimarex") effectively pooled the uncommitted interests underlying the S/2 N/2 of Sections 14 and 15 of T19S-R29E in Eddy County, NM, as to the Bone Spring formation (see copy of order attached). Due to the recent economic conditions and low commodity prices, Cimarex has decided to delay development of the lands underlying the referenced order.

Cimarex kindly requests an extension to commence completion operations under the referenced order, as doing so would protect against economic waste.

A copy of this letter is being sent, *via* certified mail, to all pooled parties.

Please let me know if you should have any questions. I can be reached at (432) 620-1966, or by email at rmorris@cimarex.com.

Sincerely,
