Hello,

I previously filed a pre-hearing statement on behalf of Philip White, a working interest owner, in these two matters. I filed it on November 12. I am not reattaching it to this email because I don't want to confuse the issue and have a second, duplicate prehearing statement filed in the OCD files. I do want to reiterate, though, that as of now, Mr. White objects to these cases being heard by affidavit, which I believe means we will have to have these set for a status conference next week. If something changes between now and early next week, I will let you all know.

Thanks and please let me know if you have any questions.

Deana
