NOTICE OF ERRATA

Introduction

The Rio Grande Chapter of the Sierra Club, Amigos Bravos, Citizens Caring for the Future, the Native American Voters Alliance Education Project, and the Pueblo Action Alliance (collectively “the Intervenors”) hereby give notice that they will file and provide to the other parties in this matter a supplemental version of Norman Gaume’s testimony that corrects grammatical and other errors in his original testimony and that provides the exhibits and the links referenced in the original version of his testimony.

The Intervenors will provide two copies of this supplemental version of Mr. Gaume’s testimony. One will be a clean version, and one will be a redline version showing changes that were made from the original version of his testimony. Because of the need to provide the supplemental version of Mr. Gaume’s testimony electronically, it will be forwarded directly to counsel for the other parties rather than as an attachment to this Notice of Errata.
