Duncan,

The OCD has never recognized Chica as the operator of record for the wells listed below. As far as we are concerned, they have no authority to transfer these wells to anyone else. Have a good weekend.

Daniel

Julie Hodges,

I have received your Letter, (dated July 12, 2010) by mail July 16, 2010. This is to confirm that I have given you 30 days to transfer these properties to another Operator, which is acceptable with the NMOCD and BLM or to submit Plugging procedures on the following wells. The transfer of operations is required to be in this office by August 13, 2010 or plugging procedures will be required to be submitted. If you choose to plug these wells the plugging operations will be required to be started by August 31, 2010.

Thanks for you assistance, Duncan
