Case Nos. 25050-25052

PRE-HEARING ORDER

On February 11, 2025, the Oil Conservation Division (“Division”) sent email communications to the Parties providing two potential dates for a contested hearing. The Parties were instructed to confer and select their preferred date by the scheduled February 18, 2025 motion hearing. At the February 18, 2025 hearing, American Energy Resources failed to appear. Based on the Division’s understanding that unresolved disputes require a contested hearing, this Pre-hearing Order is being issued.

THE HEARING EXAMINER FINDS AND ORDERS:

1. Case Nos. 25050-25052 are hereby consolidated for the purposes of a contested hearing, which will commence on **April 15, 2025, at 9:00 a.m.** and may continue on April 19, 2025. The hearing will be limited to good cause.
2. If objections to a hearing by affidavit are subsequently withdrawn, the cases will proceed by affidavit on May 8, 2025.
3. The hearing will be recorded and transcribed verbatim by a court reporter.
4. The hearing shall be conducted in hybrid fashion, in-person at Pecos Hall, 1220 South St. Francis Drive, 1st Floor, Santa Fe, NM and via MS Teams virtual meeting platform (sign in information will be sent to the parties closer to the date of the hearing). It is strongly preferred that Counsel appear in-person while witnesses may be offered in-person or virtually. The Hearing Examiner may modify the format of the hearing consistent with the available resources at the time of the hearing.
5. Pre-hearing statements shall be filed no later than **9:00 a.m.**, 4 business days prior to the hearing and in addition to the requirements of 19.15.4.13.B(1) NMAC, shall include the following:

- a) All evidentiary exhibits, documents, affidavits, and full-written testimony of any witness a party offers at the hearing.

Exhibits must be sequentially marked on every page. Failure to timely file a complete pre-hearing statement may cause the Hearing Examiner to continue the hearing and/or impose sanctions up to and including the exclusion of late-filed evidence.

6. Evidentiary objections must be filed no later than 48 hours before the hearing. Rulings on the objections will be addressed as a preliminary matter when the case is called.
7. All witnesses filing direct testimony shall attend the hearing and may be subject to cross-examination by Counsel and the Division's Examiners.
8. Requests for a continuance shall be filed in writing through the OCD fee portal at least one week prior to the contested hearing for approval by the Hearing Examiner.
