CASE 13454 ✓

Application of the Oil Conservation Division to extend the effective duration of an emergency order to operate issued to Gandy Marley, Inc. The Oil Conservation Division seeks an order extending Emergency Order To Operate Number R-12306 allowing Gandy Marley, Inc.'s landfarm located in Sections 4, 5, 8, and 9 of Township 1.1 South, Range 31 East, in Chaves County, New Mexico to accept salt-contaminated oilfield waste until a determination is made by the Hearing Examiner on Gandy Marley, Inc.'s application to amend its current landfarm permit. On March 10, 2005, Gandy Marley, Inc. applied for an emergency order allowing it to accept salt-contaminated oilfield waste and provided support for its request. The Oil Conservation Division granted this request. Oil Conservation Division staff has determined that conditions at the site of the landfarm are such that the landfarm may accept salt-contaminated oilfield wastes without posing a hazard to groundwater and has confirmed that the operator will keep salt-contaminated oilfield waste separate from hydrocarbon-contaminated oilfield waste.

Given under the Seal of the State of New Mexico Oil Conservation Commission at Santa Fe, New Mexico on this 14th day of March, 2005.
