Mr. Hicks,

The BLM requires like approval from other regulatory authorities. In that regard, "no response" does not qualify as "like approval". The BLM is not in a position to decide for the OCD what is or is not of a regulatory concern to the OCD.

In short, we need to hear from the OCD in writing or by phone call that the OCD has no issues with the proposed action.

Thank you for your attention to this matter,

Mike:

Welcome back from your short vacation. We met with BLM last week and worked out a remedy that is satisfactory to all. The attached letter to NMOCD states:
