ConocoPhillips Contract 100197

Gentlemen:

Conoco Phillips Company, as Unit Operator of the Southeast Monument (SEMU) Unit, hereby submits for your approval, our 2012 Plan of Development.

Items are included as follows: Planned 2012 operations, previous year operations, current status of all wells within the unit and production graphs for each productive reservoir. Also attached are three current maps, each showing respectively the units: structural and geologic interpretations; participating area boundaries; wells, flow-lines, and roads.

It is understood that approval of this plan does not approve the work covered by the plan. Individual approval is still required for such items as APDs/ROWS/etc.

Any modifications or additions to this Plan of Development will be filed as supplements to the plan.

Sincerely,

Thomas J. Scarbrough, CPL
