Case No. 14055

APPLICATION

C & D Management Company applies to re-open Case No. 14055 to allow applicant additional time to comply with the terms of Order No. R-12913, as amended, and in support thereof, states:

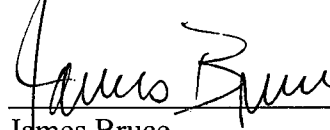

1. Applicant is the operator of record of seventeen (17) wells located in (a) Sections 12, 13, 14, 24, and 25 of Township 17 South, Range 27 East, N.M.P.M., and (b) Section 18 of Township 17 South, Range 28 East, N.M.P.M., identified in Commission Order No. R-12913-E.
2. Order No. R-12913 mandated applicant to bring all wells into compliance with Division reporting obligations and financial assurance requirements, and to bring all subject wells into compliance by returning them to production, temporarily abandoning the wells, or plugging and abandoning the wells. If it did not do so, the Division was authorized to plug and abandon the wells. The Commission also suspended applicant's authority to transport pending satisfaction of the above requirements.
3. Applicant did not meet the time requirements of Order Nos. R-12913-E and R-12913-G.
4. Since the Commission entered its orders, the sole shareholder and officer of applicant died. Applicant now has new management which desires to comply with the Commission's and Division's requirements, and bring the wells into compliance. **Exhibit A.**

5. Applicant requests that Case No. 14055 be re-opened to allow applicant to provide evidence of its compliance with reporting obligations and financial assurance requirements, and to enter an order granting applicant further time to bring wells into compliance before they are plugged by the Division.

6. Applicant also requests that any order entered re-instate applicant's authority to transport, so that applicant may sell oil on hand and allow it to produce wells capable of producing to pay for ongoing operations.

**WHEREFORE**, applicant requests that, after notice and hearing, the Division enter its order granting the relief requested above.

Respectfully submitted,
