1 MR. EXAMINER: On the last page I then call
2 case 14812. This is the application of COG Operating,
3 LLC for a non-standard spacing and proration unit and
4 compulsory pooling, Eddy County, New Mexico. I want to
5 remind you I am just calling it to collect whatever
6 notice publications that are required today.

7 Call for appearances.

8 MR. FELDEWERT: Mr. Examiner, Michael
9 Feldewert with the Santa Fe office of the Holland & Hart
10 appearing on behalf of the applicant COG Operating, LLC.

11 MR. EXAMINER: Any other appearances?

12 MR. FELDEWERT: Mr. Examiner, as you're
13 fully aware of this case, it was heard by the Division
14 on April 12th. At that time it was determined that
15 there was an interest owner whom we had been unable to
16 locate and also an interest owner for a home we did not
17 have an address. Therefore, we had published in the
18 newspaper of general circulation a notice of this
19 matter. We had named the individual involved
20 specifically in the notice. And we have that here and
21 I'd like to present it as COG Exhibit Number 8, so it
22 will be a continuation of the exhibits that were
23 presented at the initial hearing. So if I may approach?

24 MR. EXAMINER: Yes.

25 MR. FELDEWERT: Mr. Examiner, with the

1 introduction of COG Number 8, we ask that this case be
2 taken under advisement.

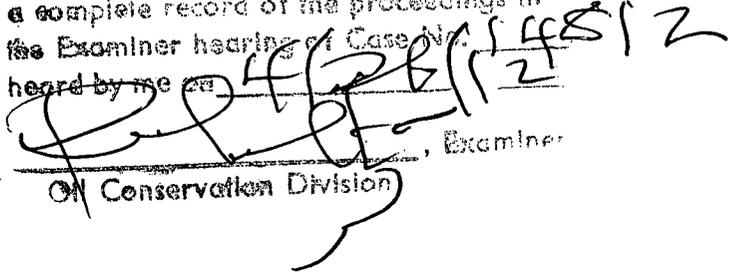

3 MR. EXAMINER: It will be admitted. The
4 case has already been taken under advisement and it will
5 be taken under advisement again. Anything else.

6 [Exhibit 8 admitted.]

7 MR. FELDEWERT: That's it. Thank you.

8 [Case 14812 taken under advisement.]
