Page 3 And we were asked by the Director to make an 1 2 announcement to the attorneys about continuing cases, 3 Examiner cases. She mentioned the need to not continue these 4 indefinitely and try to limit it to three continuances. Is 5 that right, David? 6 EXAMINER BROOKS: My understanding is that we have 7 been directed that after the third continuance, the case will be dismissed. And I think that policy was tried once a long 8 9 time ago by Former Director Rotenberry, and it didn't last 10 very long, but I think we may have a more determined person 11 at the helm this time, so I guess we all need to prepare for 12 a lot of dismissals. 13 14 15 16 17 I do hereby certify that the foregoing w 18 a complete record of file proceedings in the Examiner hearing of Case No. 19 neard by me co 20 , Examina-Oil Conservation Division 21 22 23 24 25
