No, they have not. They need two – Baseball Park No. 4 – 30-015-25584 - \$9,600 and Merland No. 1 – 30-015-21036 - \$9,518. Will let you know when and if I receive them. Have a great day!

Apache has submitted and I have approved the two required bonds on their financial assurance report. The Ys should fall off tomorrow morning as everything batches overnight. Thanks
