1 MR. ~~EXAMINER~~ ^(RICHARD E.): And at this point since there
2 are no comments, I call case number 14835. I think this
3 case was heard some time ago and there was some
4 requirements that needed to be fulfilled. So at this
5 point I call case number 14835, application of
6 Coulthurst Management & Investment, LLC, for
7 authorization to inject as part of a pressure
8 maintenance project, Sandoval County, New Mexico.

9 Call for appearances.

10 MR. RANKIN: Thank you, Mr. Examiner. Adam
11 Rankin with Holland & Hart in Santa Fe on behalf of
12 Coulthurst Management. In the interim, since this case
13 was last presented and was reopened for this notice
14 purpose, we have submitted a waiver indicating that the
15 offsetting operator, Three Forks Resources, has waived
16 any objections to the pressure maintenance application,
17 which has been received by the division. My
18 understanding is that has been adequate to address the
19 notice issue.

20 EXAMINER BROOKS: That is correct. And it
21 is in the case file.

22 MR. RANKIN: And if that's the case then --
23 we also provided notice, according to division rules,
24 but if that's the case then I won't bother to --

25 EXAMINER BROOKS: Well, you have a notice of

1 affidavit to file. You can go ahead and file it with
2 the court reporter.

3 And what's the case number?

4 MR. EXAMINER: Case number 14835.

5 EXAMINER BROOKS: Case number 14835 will be
6 taken under advisement, and it's my case.

7 MR. EXAMINER: So that concludes that case.

8 [Case 14835 taken under advisement.]
