Re: Order No. R-13588/Cimarex Energy Co. of Colorado

Dear Ms. Bailey:

The above order, entered on July 17, 2012, requires that the first well under the order (the order pooled four 40-acre well units) be commenced by November 1, 2012. Cimarex has encountered severe scaling problems in wells being drilled in this area, and is seeking a remedy before commencing additional wells. Therefore, Cimarex requests an extension until July 15, 2013 to commence the first well under this order.

Very truly yours,

James Bruce

Attorney for Cimarex Energy Co. of Colorado
