Re: Case No. 13,491/Samson Resources Company

Dear Mr. Jones:

The above case was heard by you on May 19<sup>th</sup>. At the hearing it was requested that Samson publish notice of the application. Enclosed, marked Exhibit A, is a copy of the notice published in the Hobbs newspaper. I will have the affidavit of publication shortly. However, I ask that the order be processed as soon as possible, due to Samson's need to commence the well.

Thank you.

Very truly yours,

  
James Bruce

Attorney for Applicant

WVS 6/7/05

NOTICE

To: Fred Newcomb and Roger T. Elliot, or their heirs or devisees, and J. Robert Eads, Trustee of the Eads Family Exempt Trust, or his successor: Samson Resources Company has filed an application with the New Mexico Oil Conservation Division (Case No. 13,491) seeking an order pooling all mineral interests from 4000 to 13693 feet subsurface underlying the N/2 of Section 15, Township 20 South, Range 33 East, NMPM, Lea County, New Mexico. The unit is to be dedicated to the Bandit 15 Federal Well No. 1, to be drilled at an orthodox well location in the NE/4NE/4 of Section 15. Also to be considered will be the cost of drilling and completing the well and the allocation of the cost thereof, as well as actual operating costs and charges for supervision, designation of applicant as operator of the well, and a 200% charge for the risk involved in drilling and completing the well. The application is scheduled to be heard at 8:15 a.m. on Thursday, June 16, 2005 at the Division's offices at 1220 South St. Francis Drive, Santa Fe, New Mexico 87505. As interest owners in the well unit you have the right to enter an appearance and participate in the case. Failure to appear will preclude you from contesting this matter at a later date. The unit is located approximately 5-1/2 miles east-northeast of Halway, New Mexico.
