REQUEST FOR THE ISSUANCE OF SUBPOENA

COMES NOW the Protestant, Americulture, Inc., through its counsel of record, and pursuant to the Geothermal Resources Conservation Act, NMSA 1978, Section 71-5-17.2, hereby respectfully requests that the Commission issue a subpoena to compel the production of certain documents at the hearing scheduled for March 19, 2013 at Porter Hall, located at 1220 South St. Francis Drive, Santa Fe, New Mexico, to wit:

1. The March 22, 2012 Report prepared by John W. Shomaker, Ph.D, that was prepared in connection with, and following, the Tracer Test conducted under the January 18, 2012 letter from AMEC to Randy Dade at New Mexico Energy, Minerals and Natural Resources Department requesting temporary approval to conduct a tracer test in State Wells No 1, No. 3 and No. 4 for Lightning Dock geothermal H1-01, LLC, Hidalgo County, New Mexico, and the 1/18/2012 G-103 Sundry Notices for the same respective wells. For clarification, this March 22, 2012 Report is the same document reviewed by James Witcher at the AMEC facility on Thursday, February 28, 2013 and which counsel for AmeriCulture was informed is a document designated by Los Lobos as "Confidential" and which is not available as a public document.

Respectfully Submitted,

Charles N. Lakins
Lakins Law Firm, P.C.
