***Re: NMOCD Case# 14907; In the Matter of the Application of KC Resources, Inc.  
for Pressure Maintenance project, Eddy County, New Mexico***

Dear Mr. and Mrs. Starr:

This letter will advise that KC Resources, Inc. has filed an application with the New Mexico Oil Conservation Division seeking an order for a pressure maintenance project. A hearing on the matter has already been held, with a requirement that certain supplemental requirements be furnished to the Division, including notice to the surface owners on which the proposed injection well is located. A copy of the application is enclosed.

The case has been continued to the Oil Conservation Division's March 7, 2013 hearing docket commencing at 8:15 a.m. at the New Mexico Oil Conservation Division, 1220 South St. Francis Drive, Santa Fe, New Mexico. You are not required to attend this hearing, but as an owner of an interest that may be affected, you may appear and present testimony. Failure to appear at the time and become a party of record will preclude you from challenging this application at a later time. If you intend to attend the hearing and present testimony or evidence, you must enter your appearance and serve the Division, counsel for the applicant, and other parties with a pre-hearing statement at least four business days before the scheduled hearing date in accordance with Division Rule 1211.

Very truly yours,

ERNEST L. PADILLA
