I will be filing a response, stating why we did not want the hearing continued, but due to Mr. Martin's health issues the hearing should be continued.

My office has just received a call from Jim Bruce indicating there is no objection to vacating the hearing set for May 30. I was not sure whether Jim was going to communicate directly or whether I needed to do so. The purpose of the e-mail is to let you know there is no objection from Jim Bruce. Can you please advise by a return e-mail the hearing is vacated? Thank you.

Tom Martin
