**RE: Case # 14981 APPLICATION OF OCCIDENTAL PERMIAN LIMITED PARTNERSHIP TO AMEND ORDERS R-4934 AND R-4934E GOVERNING THE SOUTH HOBBS GRAYBURG-SAN ANDREAS PRESSURE MAINTENANCE PROJECT TO ALLOW THE INJECTION OF CARBON DIOXIDE AND PRODUCED GASES, TO MODIFY THE SURFACE INJECTION PRESSURE, TO OBTAIN OTHER RELIEF, AND TO QUALIFY THIS EXPANSION FOR THE RECOVERED OIL TAX RATE PURSUANT TO THE NEW MEXICO ENHANCED OIL RECOVERY ACT, LEA COUNTY, NEW MEXICO**

We wish to become a party of record in this matter. We are protesting because we are concerned the CO2 may hinder our nearby production or the value of our production in the future. Our attorney has not been able to review these documents as we just received them last week and he has been unavailable. We do not have any testimony or exhibits to present at this time. Because there is no testimony or exhibits to present, we will not be appearing at the hearing. We were instructed by the OCD that this statement will suffice to name us a party of record and personal appearance is not necessary because we have no presentation to make at this time.

Sincerely,

Bradley McInroe
