Re: TJG Federal 3 1#H Well  
Township 19 South, Range 35 East  
Section 3: S/2  
Lea County, New Mexico, limited from  
9157' subsurface down to 13,107' as  
identified in the compensated  
neutron-formation density log for  
the Marshall & Winston, Inc. -  
Federal 3 #2 Well located in the  
SE/4 of Section 3, Township 19 South,  
Range 32 East, Lea County, New Mexico

Oil Conservation Division  
Case No. 49  
Exhibit No. 49

Ms. Newell:

Marshall & Winston, Inc. is proposing the drilling of a second Bone Spring formation horizontal well in the above described lands. From the information available to us in the federal records and the Lea County, New Mexico records, you appear to own a working interest in the lands.

Enclosed you will find:

1. Operating Agreement dated August 20, 2012, along with an extra set of signature pages.
2. Two copies of Memorandum of Operating Agreement and Notice of Lien and Mortgage.
3. Two copies of an AFE covering the TJG Federal 3 #1H Well.
4. Copy of Drilling Opinion dated October 24, 2011.

Helen G. Newell

Page 2

If you want to participate, we ask that you sign the extra copy of the signature page, one copy of the Memorandum of Operating Agreement and one copy of the AFE before returning them to us. Please note that your signatures will need acknowledgments from a notary public on the operating agreement and Memorandum. You should also include a drilling information letter in the packet so drilling reports and documentation on the well can be delivered properly. Because of the significant cost of the well, it is possible we may require prepayment of dry hole expenses.

However, if you do not want to participate, you need to get in touch with me and we can discuss a trade for your interest. Should you have any questions regarding this matter, please do not hesitate to contact us. Your attention to this matter is appreciated.

Very truly yours,

A handwritten signature in black ink, appearing to read "Kevin Hammit", written in a cursive style.

Dear Ms. Newell:

In the packet sent to you by Marshall & Winston, Inc. containing the letter dated August 22, 2012, it has been discovered that there was an error in the description of lands on certain pages of the operating agreement. Please be advised the above acreage is the correct description for the lands on which we will drill the new well. The range is 32 East, not 35 East.

Enclosed are replacement pages for the operating agreement to be substituted in your copy:

1. Cover Page.
2. First page of Exhibit "A".
3. Exhibit "A" of Memorandum of Operating Agreement.

Ms. Helen G. Newell
